

OVERVIEW

The MityLite ABS Rectangle folding table is a top seller, and for good reason. It's durable and hard-wearing, lasting exceptionally well through years of daily use. The stain-resistant, high-impact ABS plastic tabletop is bonded to a sturdy wood laminate core. Powder-coated steel legs in a variety of styles provide strength and stability to this folding table, which can support 2,000 pounds. Ideal for events of all types, this folding table is a classic that will save you money on maintenance, labor, and replacement when compared to other folding tables on the market.

Ease of Use

Rugged and sturdy

You'll be using this table for years, thanks to a sturdy hardwood frame.

An impact-resistant, waterproof bumper is chemically welded around the edges of the core for rugged durability.

Safe and reliable

Our folding leg mechanism is easy to use and delivers extreme stability. A gravity-operated steel ring lock prevents accidental collapse while the table is set up, making it an excellent choice for commercial venues.
