MityLite ABS Tables have been the market standard for folding tables for more than 30 years! Lightweight, durable, and available in a variety of shapes and sizes, there are plenty of reasons why our ABS are known as the best. These well-designed rectangle folding tables provide a great return on investment and many years of reliable use. They are easy to set up, take down, and store saving you money on maintenance, labor, and replacement costs.

Product Features

Tabletop: High-impact ABS plastic surface bonded to the wood laminate core

Sizes: Available in sizes up to 96-in diameter

Surface: Available in a variety of smooth and textured finishes

Durability: Exceptionally durable with edges that are specifically designed for shock absorption

Legs: Reinforced wishbone legs are constructed from powdered-coated steel

Storage: Legs fold and lock with a gravity-operated steel ring, and the folding mechanism consists of two Z-bars and a U-channel

Sustainability: [GREENGUARD® Certified \(/greenguard-certified\)](#)

***See Brochure for additional options. Upcharges will apply to optional color combinations.**
